December, 2006

HECAT, Inc. 25th Anniversary

In 2007, HECAT, Inc. (Heat Exchanger Cleaning & Applied Technologies) will be celebrating its 25th year as the only manufacturer 100% focused on supplying Heat Exchanger Cleaning equipment, chemicals, and solutions for Automotive, Aerospace, and Industrial applications. HECAT's web site (www.hecatinc.com) has been updated for 2007 with new product flyers, videos (see the NEW Coolant System Flusher in action), FAQ's, testimonials, distributor lists, and quick links for the cyber shopper. A complete line of tools from DIY to OEM applications are available for Oil Cooler, Coolant System, & MVAC component services including the latest technology in HFC closed loop refrigerant flushing. Call HECAT's toll free tech line (800-380-9501) with your questions and Heat Exchanger cleaning needs or visit in person with HECAT sales and engineering staff at the MACS Repair Round-up in Booth 516. Individual, distributor, OEM, and private branding inquires are welcome.

HECAT, Inc. is a manufacturer of specialty internal heat exchanger flushing and cleaning equipment, tools, adapters, chemicals, and procedures for automotive, aviation, fleet, and industrial services. HECAT® products are designed to be an integral part of any proper air conditioning, automatic transmission, engine cooling, and system decontamination, reconditioning, and repair process. For a clearer insight into the company's products, processes, patents, technology, and applications; visit the website at www.hecatinc.com, e-mail tech-info@hecatinc.com, or call 800-380-9501.
